#### CONGRATULATING LISA DRAKE UPON HER RETIREMENT

### HON. ANN WAGNER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Friday, December 11, 2015*

Mrs. WAGNER. Mr. Speaker, I rise today to congratulate Lisa Drake upon her upcoming retirement after 28 years with Monsanto.

Since January 2007, Lisa has served as the Team Lead for U.S. State and Local Government Affairs for Monsanto. In that capacity, she has managed the company's government affairs and community relations teams in all fifty states and Puerto Rico. She also has served as Secretary of the Board of Colorado Biosciences Association.

Prior to working in Government Affairs, Lisa was Director of Public Affairs for Monsanto's Agricultural Sector, managing global media relations and issues management for the company's leading herbicide, Roundup herbicide, and several of its biotechnology traits and seeds businesses.

Before she joined Monsanto, Lisa earned a B.A. in technical journalism from Colorado State University and she worked for two trade associations in California. She also served as a reporter for several daily and weekly newspapers in Colorado, Mississippi and Alabama.

As the Team Lead for U.S. State and Local Government Affairs, Lisa recruited, trained and developed an outstanding team of professionals to represent Monsanto before local and state governments. She and her team have built deep and effective relationships with legislative bodies, elected officials, and grower organizations throughout the nation. While she has had many accomplishments, one of note is her development and implementation of a strategy to engage and partner with communities around a number of Monsanto's facilities.

Throughout her career, Lisa has represented Monsanto with professionalism, grace, and class and has been a strong advocate for American agriculture and farmers. After relocating from St. Louis some years ago, Lisa and her husband Jack and two children, Sam and Amanda, live and work in Denver, Colorado. In retirement, Lisa and Jack are looking forward to traveling and pursuing their hobbies and philanthropic activities. I wish them the best as they begin this exciting new chapter in their lives.

### HON. RODNEY DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Friday, December 11, 2015*

Mr. RODNEY DAVIS of Illinois. Mr. Speaker, I rise today to commend Mr. Ted Beattie

for his dedication to education and to congratulate him on his retirement after twenty-one years with Shedd Aquarium in Chicago.

For over two decades, Mr. Beattie has led Shedd Aquarium as its president and CEO, overseeing the aquarium's largest expansion project and launching Shedd to its position as one of the country's leading educational aquariums.

Mr. Beattie began his career as a marketing and development director for the Cincinnati Zoo and eventually went on to lead zoos in both Tennessee and Texas before coming to Chicago in 1994. He is an active member of the American Zoo and Aquarium Association and formerly served as its president.

As a respected leader in his field of marine science, Mr. Beattie was appointed by President Bush to serve on the sixteen-member U.S. Commission on Ocean Policy, an initiative that has led to the creation of new ocean policies, such as pollution prevention efforts and the enhancement of marine science, commerce, and transportation.

A commitment to education has been one of Mr. Beattie's top priorities in his years with Shedd Aquarium. The \$45 million Wild Reef wing opened in 2003 and features one of the most diverse shark exhibits in the country. In 2009, during Mr. Beattie's tenure, the renovation of Shedd's Abbott Oceanarium marine mammal pavilion was completed—restoring one of Shedd's favorite exhibits, beloved by teachers, students, and patrons of all ages.

Under Mr. Beattie's leadership, Chicago's Shedd Aquarium has secured its reputation as a world-class aquarium, hosting millions of guests each year. Mr. Beattie's commitment to marine education has undoubtedly contributed to Shedd's excellence and I congratulate him on his many achievements and thank him for his work to make Shedd Aquarium one of Illinois' most treasured attractions.
